

San Joaquin Valley Library System
STRATEGIC PLAN
(Goals & Strategies)
FY 2018/19 - FY 2020/21

GOAL 1: Share Resources, Promote Networking and Nurture Professional Relationships

Strategy 1 – Provide quality staff development and training opportunities.

Strategy 2 – Strengthen professional relationships between member Directors, JSAs and tech staff.

Strategy 3 – Encourage networking and sharing of information and materials.

GOAL 2: Encourage and Support Innovation and Technology

Strategy 1 – Investigate new technologies that will expand access to information.

Strategy 2 – Improve planning for future technology upgrades.

Strategy 3 - Support member libraries' technology needs.

GOAL 3: Promote SJVLS and Improve Collective Strength

Strategy 1 – Advocate at state level for needs of SJVLS libraries.

Strategy 2 – Improve SJVLS website.

Strategy 3 – Seek state funding and provide grant management for joint-consortium projects.

Strategy 4 - Develop branding of SJVLS.

GOAL 4: Improve Governance

Strategy 1 - Ensure fiscal stability.

Strategy 2 – Develop, review and update governing documents.

Strategy 3 - Provide protection for equipment, network, and software.

Strategy 4 - Ensure adequate staffing levels to provide quality support to members and sufficient monitoring of the network.
